To Whom It May Concern:

Please accept my resubmitted and corrected application. I have included more complete information on the map and within the application to ensure you have enough information to determine the place of use, location of the well, and number of acres in each quarter to be irrigated.

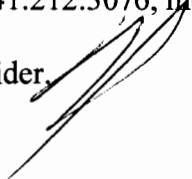

I am proposing to irrigate up to nine acres on that portion of land lying north of the dashed line (govn't lot 1) or NE  $\frac{1}{4}$  NE  $\frac{1}{4}$  of section 5 and up to two acres on the portion of land lying south or SE  $\frac{1}{4}$  NE  $\frac{1}{4}$  of section 5.

I have located a US survey maker on the Southwest corner of property and measure the distance to the well. I have also included a map that should clearly show the tax lot and its location.

I have also included a check for \$1,000 for the base fee, 1<sup>st</sup> CFS/AF fee and registration fee.

I can be reached at 541.212.3076, most times, to answer any clarifying questions.

Thanks. Greg Schneider,
