Reference: Application G-16421
Application S-54310, Permit S-41553
Application S-57108, Permit S-42944

Regarding Application G-16421, the assignment from Lee Wilson to Northwest Farm Credit Services, FLCA, and L. S. and D., Inc., has been recorded in the records of the Water Resources Department.

Our records have been changed accordingly and the original request is enclosed. Receipt number 81171 covering the recording fee of \$75.00 is also enclosed.

Regarding Application S-54310, Permit S-41553, and Application S-57108, Permit S-42944, these two permits are in the name of Hoyt and Sons and cannot be assigned without the signature of Hoyt and Sons representative, or proof of ownership showing that L.S. and D. Inc., owns the lands covered by these two permits. If proof of ownership is presented, it must show ownership and a legal description of the property involved. A copy of the deed with the property description works well.

A refund check in the amount of \$50.00 is enclosed, returning the assignment fees sent for these two permits.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
