Reference: Application G-12843, Permit G-13000
Application G-5190, Permit G-5060
Application G-15573, Permit G-15114

Regarding Application G-12843, Permit G-13000, the assignment from Lyman Mason to John and Marlene Bles (Lone Pine Ranch), has been recorded in the records of the Water Resources Department.

Our records have been changed accordingly and the original request is enclosed. Receipt number 80969 covering the recording fee of \$75.00 is also enclosed.

Regarding Application G-5190, Permit G-5060, in name of Piedmont Properties, Inc., and Application G-15573, Permit G-15114, in name of Lone Pine Ranch of Southern Oregon Inc., these permits are not in Lyman Mason's name. Therefore assignment will probably best be made by providing proof of ownership of the lands covered by these permits. A copy of the deed showing you as owner and including the property description to verify the lands in question will suffice.

I am enclosing a refund check in the amount of \$50.00 for the two permits that were not able to be assigned. Should you have any questions, please do not hesitate to contact me at the address above or by telephone at 503-986-0817.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
