STATE ENGINEER  
SALEM, OREGON

Mr. Charles E. Stricklin,  
State Engineer,  
Water Resources Department,  
Salem, Oregon

Dear Sir:                   Attention: Mr. V. S. Bovelle  
Re: File No. 15455.

In accordance with the request contained in your letter of August 3rd, I have prepared and enclose herewith additional information in connection with my application for a permit above referred to and I have also prepared a crude map to which I have referred as Exhibit "B".

If the information now enclosed, or the map, is insufficient, I will be glad to endeavor to conform with your further suggestions. I can of course have the map put up in better shape by having a blueprint made if such is the desire of your office.

Will you please acknowledge receipt of the enclosed papers. I return herewith the blueprint furnished with the original application. The original application was prepared by a civil engineer.

Very truly yours,

*Stephen H. Boyles*
