Application S-85620, Permit S-53999

The assignment from James Thompson and Scott Walters to Zelenka West Nursery has been recorded in the records of the Water Resources Department.

Our records have been changed accordingly and the original request is enclosed. Receipt number 96145 covering the recording fee of \$100 is also enclosed.

Regarding Application S-84671 Permit S-53811, Application R-85574 Permit R-13776, and Application G-15871 Permit G-15458, these were assigned to Zelenka West, LLC on December 6, 2006. Therefore, an assignment of these three water right permits is not necessary. I am enclosing a refund check in the amount of \$150 reflecting an overpayment of assignment fees.

Please review the permits to be familiar with the conditions and timelines contained in the permit. These conditions and timelines will have to be met before a Certificate of Water Right can be issued.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
