CONTEST 1733

Case No. 55

Claim: 256

Contests: 1733 and 3538¹

vs.

Frieda Kirk;
Claimant/Contestant.

Claimant/Contestant Frieda Kirk, and the Oregon Water Resources Department
(OWRD), hereby agree and stipulate, and request the Adjudicator to resolve the above captioned
Claim and Contest as follows:

¹ Don Vincent voluntarily withdrew from Contest 3538 on December 4, 2000. Beriva Pritchard voluntarily withdrew from Contest 3538 on June 24, 2002. Klamath Hills District Improvement Co. voluntarily withdrew from Contest 3538 on January 15, 2004. The remaining entities comprising Klamath Project Water Users voluntarily withdrew Contest 3538 on April 7, 2005.

A. STIPULATED FACTS

1. On January 31, 1991, Claim 256 for a federal reserved Indian water right was filed with OWRD by the Claimant.
2. On October 4, 1999, the Adjudicator issued his Preliminary Evaluation of Claim 256.
3. On May 3, 2000, the Claimant filed A Statement of Contest of Preliminary Evaluation of Claim 256, Contest 1733.
4. Claimant/Contestant and OWRD agree that Contest 1733 can be resolved without the need for a hearing pursuant to the following:

B. TERMS OF STIPULATION

1. Claimant/Contestant and OWRD agree that the Water Right Claim 256 should be approved to the Adjudicator as a federal reserved Indian water right to the extent described in the Inchoate Description of Water Right Claim 256, attached hereto as Exhibit A, and which is incorporated by reference as if set forth fully herein.
2. Claimant/Contestant agrees that pursuant to the terms of this Stipulation, Contest 1733 has been satisfactorily resolved, and such resolution vitiates the need for a hearing before the Administrative Law Judge.
3. The OWRD adjudication staff hereby recommends to the Adjudicator that Claim 256 be withdrawn from the Office of Administrative Hearings. OWRD adjudication staff further recommends that Claim 256 be approved in the Finding of Fact and Order of Determination issued by the Adjudicator as a federal reserved Indian water right in accordance with the Inchoate Description of Water Right Claim 256.
4. If the Finding of Fact and Order of Determination issued by the Adjudicator for Claim 256 does not conform to the terms set forth in the attached Inchoate Description of Water Right Claim 256, Claimant/Contestant reserves any rights they may have to file exceptions to the

Finding of Fact and Order of Determination as to Claim 256 in the Circuit Court for Klamath County, and reserve any rights they may have to participate in any future proceedings authorized by law concerning Claim 256.

5. Claimant/Contestant agrees not to oppose or object to this Agreement or any of its terms, provisions, conditions, or covenants and to support this Agreement if it is challenged in the administrative or judicial phases of the Adjudication or any appeals thereof.

6. The signatories to this Stipulation agree that the Stipulation shall not be offered as evidence or treated as an admission regarding any matter herein and may not be used in proceedings on any other claim or contest whatsoever, except that the Stipulation may be used in any future proceeding to interpret and/or enforce the terms of this Stipulation. Further, the signatories to this Stipulation agree that neither the Stipulation nor any of its terms shall be used to establish precedent with respect to any other claim or contest in the Klamath Basin Water Rights Adjudication.

7. Each entity or person entering into this Stipulation represents, warrants, and agrees that the person who executed this Stipulation on its behalf has the full right and authority to enter into this Stipulation on behalf of that entity or person and bind that entity or person to the terms of the Stipulation.

8. The terms, provisions, conditions, and covenants of this Stipulation are not severable, except, if any term, provision, condition, or covenant of this Stipulation is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the terms, provisions, conditions, and covenants shall remain in full force and effect and shall in no way be affected, impaired, or invalidated.

9. This Stipulation may be executed in several counterparts and all documents so executed shall constitute one Stipulation, binding on the signatories, notwithstanding that the

signatories did not sign the same original or the same counterparts. Delivery of an executed signature page to this Stipulation by facsimile transmission shall be as effective as delivery of an original signed counterpart of this Stipulation.

10. This Stipulation comprises the entire agreement and no promise, inducement, or representation other than herein set forth has been made, offered, and/or agreed upon, and the terms of this Stipulation are contractual and not merely a recital.

11. Claimant/Contestant and OWRD shall each bear their own costs and attorneys' fees.

12. This Stipulation shall be effective as of the date of the last signature hereto.
