CONTEST 1749**

Case No. 042

Elwood Miller,  
Claimant/Contestant.

Claim No. 275

Contest No. 1749

The Oregon Water Resources Department (OWRD) and Claimant/Contestant  
Elwood Miller (Claimant/Contestant) hereby agree and stipulate as follows:

**A. STIPULATED FACTS**

1. Raymond L. Unive originally filed Claim 275 in the Klamath  
Adjudication. Claimant Elwood Miller subsequently acquired the property that is the  
subject of Claim 275. Pursuant to an agreement between OWRD and the Klamath  
Allottees Water Users Association (KAWUA), acting on behalf of Claimant/Contestant,  
this claim was filed in three steps, with deadlines of February 1, 1991, September 1,  
1991, and November 2, 1992. Claimant/Contestant submitted additional information  
supporting the claim which was received by OWRD on October 1, 1999, October 12,  
1999, October 29, 1999, and January 3, 2000.

2. On October 4, 1999, the Adjudicator issued his Preliminary Evaluation of  
Claim 275 preliminarily approving in part and denying in part Claim 275. The  
Preliminary Evaluation evaluated Claim 275 as a *Walton* claim, and only took into  
consideration information available to OWRD as of September 5, 1999.

3. On May 3, 2000, Claimant/Contestant filed Contest 1749 to Claim 275 which contested the Adjudicator's Preliminary Evaluation of Claim 275. No other contests were filed to Claim 275 or the Preliminary Evaluation for that claim.

4. OWRD and Claimant/Contestant agree that Contest 1749 can be resolved without the need for a hearing pursuant to the terms outlined below.

**B. TERMS OF THE AGREEMENT**

1. OWRD and Claimant/Contestant agree that Claim 275 should have been evaluated as an Allottee claim, instead of as a *Walton* claim.

4. OWRD and Claimant/Contestant agree that pursuant to the terms of this Agreement, Contest 1749 has been satisfactorily resolved, and such resolution vitiates the need for a hearing before the Administrative Law Judge on Contest 1749.

5. Based upon the agreement of OWRD and Claimant/Contestant that Claim 275 and the contest thereto can be resolved without the need for a hearing, OWRD adjudication staff hereby recommends to the Adjudicator that Claim 275 be approved in the Final Order of Determination issued by the Adjudicator in accordance with the terms of paragraphs B.2. and B.3., above.

6. If the Final Order of Determination issued by the Adjudicator for Claim 275 does not follow the terms listed in paragraphs B.2. and B.3. above, Claimant/Contestant reserve any rights they may have to file exceptions to the Final Order of Determination as to Claim 275 in the Circuit Court for Klamath County, and reserve any rights they may have to participate in any future proceedings authorized by law.
