States”) (collectively, the “Parties”) and the Oregon Water Resources Department (“OWRD”), agree and stipulate as follows:

A. STIPULATED FACTS

1. On January 16, 1991, Richard Fairclo filed Claim 78 with OWRD. The claimed place of use for Claim 78 is certain real property generally located in Townships 34 and 35 South, Range 12 East of the Willamette Meridian (“W.M.”) (the “Claim 78 Lands”). The Parties stipulate that the Claim 78 Lands were formerly part of the Klamath Reservation, and that the Claim 78 Lands were formerly either allotted to and owned by Klamath Indians or owned by the Klamath Tribes.

2. Richard Fairclo subsequently sold an undivided one-half interest in certain real property that includes portions of the Claim 78 lands to JELD-WEN, and the remaining undivided one-half interest is owned by David Fairclo. As such, in 1997, Richard Fairclo assigned Claim 78 to JELD-WEN and David Fairclo.

3. On October 4, 1999, the Adjudicator issued his Preliminary Evaluation of Claim 78, preliminarily approving the claim.

4. The following contests were filed to Claim 78: Contest 3469, filed by entities comprising the Klamath Project Water Users; Contest 4126, filed by the Klamath Tribes; and Contest 3807, filed by the United States (collectively, the “Contests”). On April 8, 2004, the entities comprising the Klamath Project Water Users voluntarily withdrew Contest 3469. On April 7, 2005, the Klamath Tribes voluntarily withdrew Contest 4126.

5. The Parties and OWRD agree the Contests can be resolved without the need for further proceedings, pursuant to the below terms.

6. The Parties agree that Claimant David Fairclo has been previously granted a special use permit to use 17.2 acres of land owned by the United States Department of Agriculture, Forest Service, and a portion of the Claim for those lands. The Parties agree that this portion of the Claim should be granted and issued to the United States Department of

Agriculture, Forest Service, pursuant to the Partial Assignment of Claim, a copy of which is attached hereto and incorporated herein as **Exhibit 1**, and the below terms. The Parties further agree that Claimants, pursuant to the Resolution Granting Irrigation Right-Of-Way Over Tribal Land, dated November 26, 1957, have an irrigation right-of-way through the subject 17.2 acres of land owned by the United States Department of Agriculture, Forest Service. A copy of the Resolution Granting Irrigation Right-of-Way Over Tribal Lands, dated November 26, 1957, is attached hereto as **Exhibit 2**.

The Parties and OWRD agree that the Use Privilege identified in this paragraph may not be transferred to a new Place of Use, either permanently or temporarily. The Parties and OWRD agree that Claimants may

manage the flow of naturally occurring overflow in a manner consistent with their historic control of the overflow, so long as such management does not include the use of headgates, dams, or other structures for the appropriation of water from the source. Such management activities may include, but are not limited to, the maintenance of canals or channels to help spread the overflow water across the Use Privilege Place of Use.

4. “Stock water use as incidental to irrigation,” as set forth in paragraphs B.2 and B.3, above, means that this Stipulation does not grant a separate use right for stock water, but that pursuant to governing statutes, regulations, and OWRD policies, stock may make the following uses without a separate use right. Stock may drink from the irrigation systems during the irrigation Periods of Use described in paragraphs B.2 and B.3, above, but no additional quantity of water may be diverted for this purpose. Stock watering that is incidental to irrigation does not allow for diversion of any water for stock watering purposes outside the Periods of Use set forth in paragraphs B.2 and B.3, above. Stock may drink directly from the sources, including natural overflow, both during the irrigation Periods of Use and outside the irrigation Periods of Use. In addition, this Stipulation in no way precludes stock water usage from occurring pursuant to ORS 537.141(2).

5. The Parties and OWRD agree that under the terms and provisions of this Stipulation, the Contests have been satisfactorily resolved, and such resolution ends the need for further proceedings before the Administrative Law Judge on the Contests.

6. Based on the Stipulation of the Parties that Claim 78 and the Contests can be resolved without the need for further proceedings, OWRD adjudication staff hereby recommends to the Adjudicator that Claim 78 be withdrawn from the Office of Administrative Hearings. OWRD adjudication staff further recommends that Claim 78 be approved in the Finding of Fact and Order of Determination issued by the Adjudicator in accordance with the terms of paragraphs B.2 and B.3 above.

7. If the Finding of Fact and Order of Determination issued by the Adjudicator for Claim 78 does not conform to the terms set forth in paragraphs B.2 and B.3, above, the Parties reserve any rights they may have to file exceptions to the Finding of Fact and Order of Determination as to Claim 78 in the Circuit Court for Klamath County, and reserve any rights they may have to participate in any further proceedings authorized by law concerning Claim 78.

8. Upon issuance of the Certificates by OWRD after conclusion of the proceedings in the Circuit Court, any violation of the terms therein shall constitute a violation of the Certificates and shall not give rise to any private cause of action under this Stipulation. Enforcement as to any violation of the Certificates shall occur pursuant to Oregon law.

9. The Parties and OWRD agree that this Stipulation has been reached through good faith negotiations for the purpose of resolving legal disputes, including pending administrative action. The Parties and OWRD agree that no offers and/or compromises made in the course of negotiations shall be construed as admissions against interest. The Parties and OWRD agree that this Stipulation shall not be offered as evidence or treated as an admission regarding any matter and may not be used in proceedings on any other claim or contest whatsoever, except that this Stipulation may be used in any future proceeding to interpret and/or enforce the terms of this Stipulation. Further, the Parties and OWRD agree that neither the Stipulation nor any of its terms shall be used to establish precedent with respect to any other claim or contest in the Klamath Basin Water Rights Adjudication.

10. This Stipulation shall be binding upon and shall inure to the benefit of the Parties and OWRD and their respective heirs, executors, administrators, trustees, beneficiaries, predecessors, successors, affiliated and related entities, officers, directors, principals, agents, employees, assigns, representatives, and all persons, firms, associations, and/or corporations connected with them.

11. Each signatory to this Stipulation represents, warrants, and agrees that the person who executed this Stipulation on its behalf has the full right and authority to enter into this Stipulation on behalf of that party and bind that party to the terms of the Stipulation.

12. The terms, provisions, conditions, and covenants of this Stipulation are not severable; however, if any term, provision, condition, or covenant of this Stipulation is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the terms, provisions, conditions, and covenants shall remain in full force and effect and shall in no way be affected, impaired, or invalidated.

13. This Stipulation may be executed in several counterparts. All documents so executed shall constitute one Stipulation, binding on the Parties and OWRD, notwithstanding that the Parties did not sign the same original or the same counterparts. Delivery of an executed signature page to this Stipulation by facsimile transmission shall be as effective as delivery of an original signed counterpart of this Stipulation.

14. This Stipulation comprises the entire agreement and no promise, inducement, or representation other than herein set forth has been made, offered, and/or agreed upon, and the terms of this Stipulation are contractual and not merely a recital.

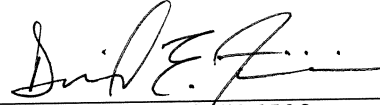

15. The Parties and OWRD agree to each bear their own costs and attorneys' fees.

16. This Stipulation shall be effective as of the date of the last signature hereto.

PARTIAL ASSIGNMENT OF CLAIM
KLAMATH BASIN ADJUDICATION
CLAIM 78

On January 16, 1991, Richard Fairclo filed Claim 78 with the Oregon Water Resources Department (“OWRD”). The claimed place of use for Claim 78 is certain real property generally located in Townships 34 and 35 South, Range 12 East of the Willamette Meridian (“W.M.”) (the “Claim 78 Lands”).

Richard Fairclo subsequently sold an undivided one-half interest in certain real property that includes portions of the Claim 78 Lands to JELD-WEN, inc. (“JELD-WEN”), and the remaining undivided one-half interest is owned by David Fairclo. As such, in 1997, Richard Fairclo assigned Claim 78 to JELD-WEN and David Fairclo.

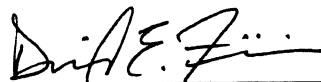

The Claim 78 Lands, as originally claimed, comprise portions of the NW $\frac{1}{4}$ SW $\frac{1}{4}$ Section 33, Township 34 South, Range 12 East, Willamette Meridian (“W.M.”) (0.4 acres) and portions of the SW $\frac{1}{4}$ SW $\frac{1}{4}$ Section 33, Township 34 South, Range 12 East, W.M. (21.2 acres). Through settlement negotiations with the United States, the total acreage of these particular claim lands has been reduced to 17.2 acres, as identified in the map attached hereto and incorporated herein as **Exhibit A**.

Exhibit B, as attached hereto and incorporated herein, is a true and correct copy of a Proclamation issued by President John F. Kennedy on July 26, 1961, establishing as part of the Fremont National Forest certain lands in Township 34 South, Range 12 East, Section 33, lots 1 to 4, inclusive, NE $\frac{1}{4}$, N $\frac{1}{2}$ S $\frac{1}{2}$. The 17.2 acres of claim lands identified in Exhibit A are included in the lands identified in Exhibit B.

Therefore, in furtherance of settlement and for other good and valuable consideration, David Fairclo and JELD-WEN hereby declare and assign that portion of Claim 78 that includes the 17.2 acres identified in the map attached as Exhibit A. However, in the event that the Finding of Fact and Order of Determination issued by the Adjudicator for Claim 78 in the Klamath Basin Adjudication does not conform to the terms set forth in paragraphs B.2 and B.3 of

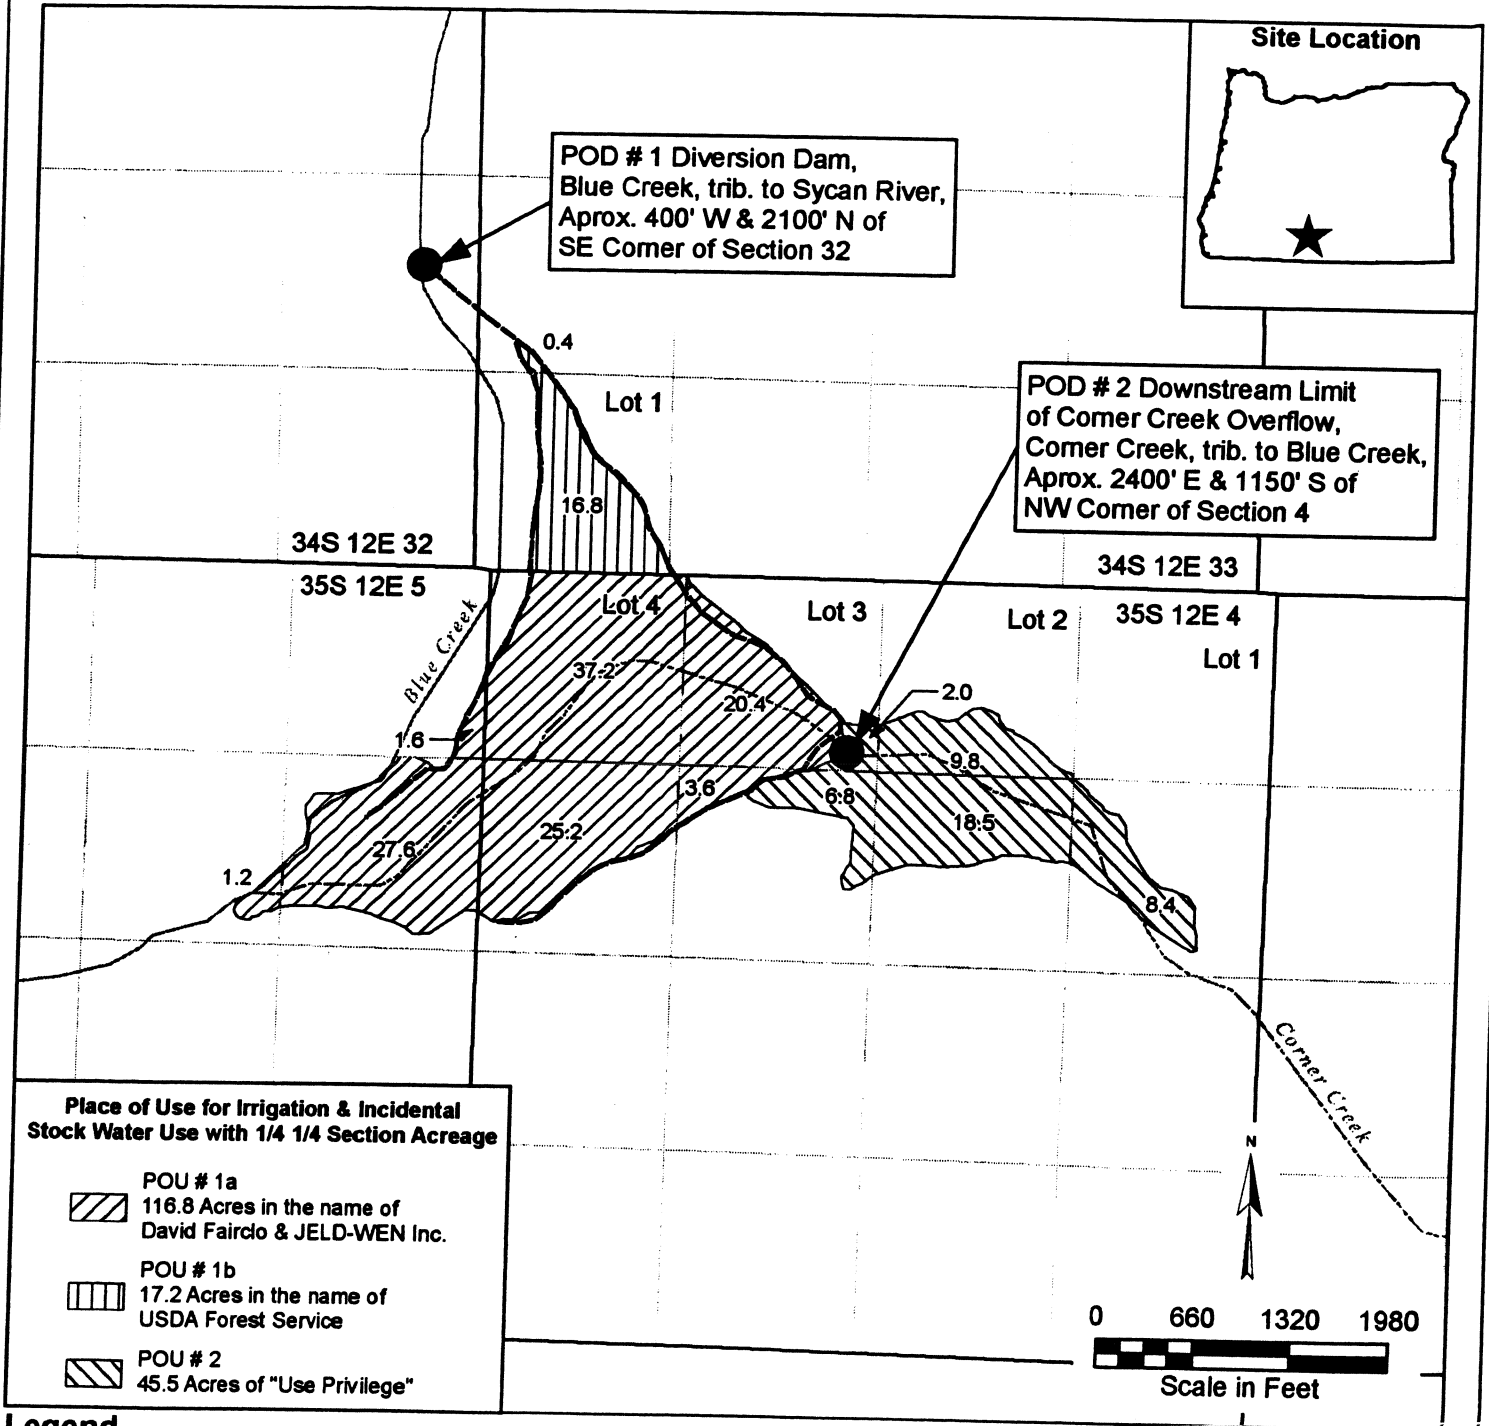

the Stipulation to Resolve Contests to Claim 78 entered into by the Parties, then this Partial Assignment shall be null and void, and the portion of Claim 78 subject to this Assignment shall revert back to Claimants David Fairclo and JELD-WEN as if this Partial Assignment were never made.
