Hi Jerry:

I have checked the file and confirmed that the application is intended to request use of only one well, as shown on the map. The cover letter and page 3 of the application form are incorrect in referring to two wells. I am sorry for the confusion -- we just goofed.

Please let me know if you need me to send a letter or revised application form to confirm the change. Otherwise, I'm hoping this e-mail will be sufficient to correct and clarify the application.

Thanks for catching the mistake --
