For Local Government Use Only

The following section must be completed by a planning official from each county and city listed unless the project will be located entirely within the city limits. In that case, only the city planning agency must complete this form. This deals only with the local land-use plan. Do not include approval for activities such as building or grading permits.

Please check the appropriate box below and provide the requested information

Land uses to be served by proposed water uses (including proposed construction) are allowed outright or are not regulated by your comprehensive plan. Cite applicable ordinance section(s): BCC 60.105(4)
Conserve soil, air, water. Provide for wildlife: fisheries

Land uses to be served by proposed water uses (including proposed construction) involve discretionary land-use approvals as listed in the table below. (Please attach documentation of applicable land-use approvals which have already been obtained. Record of Action/land-use decision and accompanying findings are sufficient.)

If approvals have been obtained but all appeal periods have not ended, check "Being pursued".

Local governments are invited to express special land-use concerns or make recommendations to the Water Resources Department regarding this proposed use of water below, or on a separate sheet.

Any use other than that authorized by BCC 60.105(4) (above) may not be allowed.
Recreational use of the pond (swimming, water skiing, fishing) is not authorized. Vincent
Creek has a regulated floodplain - this project might be outside its boundaries. The project
might be close to wetlands regulated by Dept. of State Lands (PF01J + R20WH). Approval
from DSL might be required before disturbing the land.
