**RE: Gary and Doris Hasson, Permit R-14318**

Jeanne,

I am writing this letter in reference to Permit R-14318 in the name of Gary and Doris Hasson. Based on a review of fish distribution maps and aerial photography, ODFW has determined that native migratory fish are not currently nor were historically present at the reservoir. Therefore, ODFW does not require fish passage at the reservoir for Permit R-14318.

Please let me know if you have any questions or need any further clarification.

Sincerely,

Danette Faucera  
Assistant District Fish Biologist  
North Willamette Watershed District
