

Oregon Water Resources Department
Water Rights Division

Water Rights Application
Number R-87276

Special Order

Appeal Rights

This is a Final Order in other than contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60 day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080 you may either petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied. This statement of judicial review rights does not create a right to judicial review of this order, if judicial review is otherwise precluded by law.

Application History

On August 6, 2009, the Department issued a Final Order approving Application R-87276, and indicating that upon payment of \$400 and the approval of Transfer T-10705, a permit would be issued.

Payment of \$400 was received August 18, 2009.

The Department finds that a permit can be issued for Application R-87276 prior to the approval of Transfer T-10705 by including the following condition in the permit:

At the time of perfection, the permittee must resolve any conflict with underlying rights.

Order

Application R-87276 therefore is approved with the above modifications to the Final Order, and Permit R-14820 is issued as limited by the conditions set forth therein.

DATED January 19, 2010

for Phillip C. Ward, Director
Water Resources Department
