For Standard reservoir applications proposing to store more than 9.2 acre feet, and a dam height of more than 10 feet, preliminary plans and specifications for dam and impoundment are required. In addition, the map must be prepared by a CWRE.

All applicants or the applicant's authorized agent (include title or authority if for an organization or corporation), must sign the application in ink. Signature must be an original "wet" signature. Copies cannot be accepted.

You must include a Legal description of all the properties involved where water is diverted, crossed, and used. The Legal description includes a metes and bounds, or other government survey description. A copy of the deed, land sales contract or title insurance policy can provide this information, or you may submit a lot book report prepared by a title company. The Department will not accept a copy of the tax bill.

A completed Land-Use Form or receipt signed and dated by the appropriate planning department officials. Please be certain that the Land-Use form lists all lands involved and all uses proposed. Date of signature must be within the past 12 months. Signature must be an original "wet" signature. Copies cannot be accepted.

The map must meet all the minimum requirements of OAR 690310-0050.
