Subject: Multiple Alternate Reservoir Applications

Hello Kerry,

I have reviewed the following four alternate reservoir applications:

- R-87124 (Field Pond 1)
- R-87125 (Turtle Flats)
- R-87126 (Yellowlegs Pond)
- R-87155 (Michael Hill)

I am writing to inform you that the DEQ has no comments to offer on any of these applications.

Thank you for the opportunity to comment.
