Dear Jerry:

Thank you for talking with me yesterday. I have reviewed your letter of August 2, 2010 regarding the assignment of Application S-64734, Permit 47505. While the assignment was accepted by the Department, some confusion has resulted in the assignment being made to the wrong entity.

The initial assignment form requesting an assignment from Oregon Land Company No. Z to Thompson Associates LLC c/o Park Land Company was rejected by the Department on July 15, 2010, because the application remained in the name of Walter McEwen. To correct this discrepancy, we filed a new assignment form requesting an assignment to Oregon Land No. Z, LLC by proof of ownership because Walter McEwen is deceased. We believed this would close the ownership "gap" and permit the Department to assign Application S- 64734 to Thompson Associates LLC, the current owner as indicated on the Statutory Warranty Deed dated 5/26/10 included with the assignment form.

However, this mistakenly resulted in the assignment being made to Oregon Land No. Z, LLC, rather than Thompson Associates LLC. Accordingly, we request that a correction assignment be made to correct this mistake and assign Application S-64734 to Thompson Associates LLC c/o Park Land Company.
