The assignment by proof from Henry Broughton to Morris and Danielle Penzer has been recorded in the records of the Water Resources Department.

Our records have been changed accordingly and the original request is enclosed. Receipt number 102149 covering the recording fee of \$150 is also enclosed.

Please review the permit to be familiar with the conditions and timelines contained in the permit. These conditions and timelines will have to be met before a Certificate of Water Right can be issued. A Claim of Beneficial Use is overdue and places these permits at risk for cancellation.
