Application History

Permit G-12723 was issued by the Department on August 28, 1996. The permit was assigned by J. Scott Harris to Eric and Laurie Holmes on June 10, 2003. The permit called for completion of construction by October 1, 1998 and complete application of water to beneficial use by October 1, 1999. On April 13, 2010, Eric and Laurie Holmes submitted to the Department a second Application for Extension of Time for Permit G-12723. In accordance with OAR 690-315-0050(2), on November 16, 2010, the Department issued a Proposed Final Order proposing to extend the time to fully apply water to beneficial use to October 1, 2014. The protest period closed December 31, 2010, in accordance with OAR 690-315-0060(1). No protest was filed.

At time of issuance of the Proposed Final Order the Department concluded that, based on the factors demonstrated by the applicant, the permit may be extended subject to the following conditions:

CONDITIONS

1. **Checkpoint Condition**

The permit holder must submit a completed Progress Report Form to the Department by **October 1, 2011. A form will be enclosed with your Final Order.**

- (a) At each checkpoint, the permit holder shall submit and the Department shall review evidence of the permit holder's diligence towards completion of the

project and compliance with terms and conditions of the permit and extension. If, after this review, the Department determines the permit holder has not been diligent in developing and perfecting the water use permit, or complied with all terms and conditions, the Department shall modify or further condition the permit or extension to ensure future compliance, or begin cancellation proceedings on the undeveloped portion of the permit pursuant to ORS 537.260 or 537.410, or require submission of a final proof survey pursuant to ORS 537.250;

- (b) The Department shall provide notice of receipt of progress reports in its weekly notice and shall allow a 30 day comment period for each report. The Department shall provide notice of its determination to anyone who submitted comments.

The applicant has demonstrated good cause for the permit extension pursuant to ORS 537.630, 539.010(5) and OAR 690-315-0040(2).
