Reference: G-15191, Permit G-14036

The assignment from Jeanette Prichard to Krupa Laxmi, Inc. has been recorded in the records of the Water Resources Department.

Our records have been changed accordingly and the original request is enclosed. Receipt number 102866 covering the recording fee of \$75 is also enclosed.

Please review the permit to be familiar with the conditions and timelines contained in the permit. These conditions and timelines will have to be met before a Certificate of Water Right can be issued. I would be remiss if I did not bring to your attention that the "C" date for this permit was October 1, 2005, with a Claim of Beneficial Use due by October 1, 2006. This does place this permit at risk for cancellation proceedings. Either a Claim of Beneficial Use by a Certified Water Rights Examiner or an application for extension of time should be submitted soon.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
Water Right Services Division
