RE: File # P-75185; Notice of Exempt Reservoir (Pond)

Dear Mr. & Mrs. Mortenson,

Thank you for submitting the affidavit of construction prior to 10/1/93 for your two ponds. The department has now reviewed the exempt reservoir notice that you filed with us. We are pleased to tell you that from examining your notice and the accompanying data, we have determined that your ponds qualify as exempt under our administrative rules and need not apply for a water right for your ponds. We encourage you to keep this letter with the other important property records that you keep.

If you have any questions, please contact my office at the address or telephone number below.

Sincerely,

Larry Toll

RE: File P-75185

Dear Mr. & Mrs. Mortenson,

I am reviewing your notice of exempt reservoir P-75185. After reviewing the information I have, I still need one more piece of information.

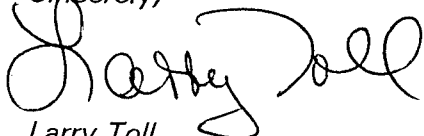

I need evidence that the reservoirs existed before January 1, 1993, such as **one or more** of the following:

1. A dated aerial photograph which shows the immediate area above, below, and surrounding the reservoirs;
2. An affidavit signed by the landowner or other knowledgeable person;
3. A dated map prepared by a local, state, or federal agency showing the location of the reservoir; or
4. Construction receipts or other forms of documentation.

Please submit this information as soon as you can. Once received, I can continue with processing of your notice.

Please return the information to my office in The Dalles, not to Salem. If you have questions, feel free to contact me.

Sincerely,

Larry Toll
