June 13, 1919.

Mr. J. M. Christopher

Marion, Oregon.

Dear Sir:

I am enclosing blank for proof of appropriation of water under permit No. 2671 which you will please fill out and return to this office, together with \$1.00 to cover recording fee, and the matter will be presented to the Board at its next meeting for approval and issuance of final water right certificate.

Yours very truly,

R. W. Petter,
Secretary.

GB.

June 1, 1938.

Mr. J. H. Christopher,
Marion, Oregon.

I am in receipt of your letter of May 25th
re your application for an extension of time in which to
complete construction work under your application for permit
No. 100, and I will recommend to the State Water Board
that an extension of time be granted until June 1, 1938,
in which to complete construction work under this permit.

Very respectfully,

John H. Smith,

State Engineer.

August 10, 1918.

Mr. J. M. Christopher

Marion, Oregon.

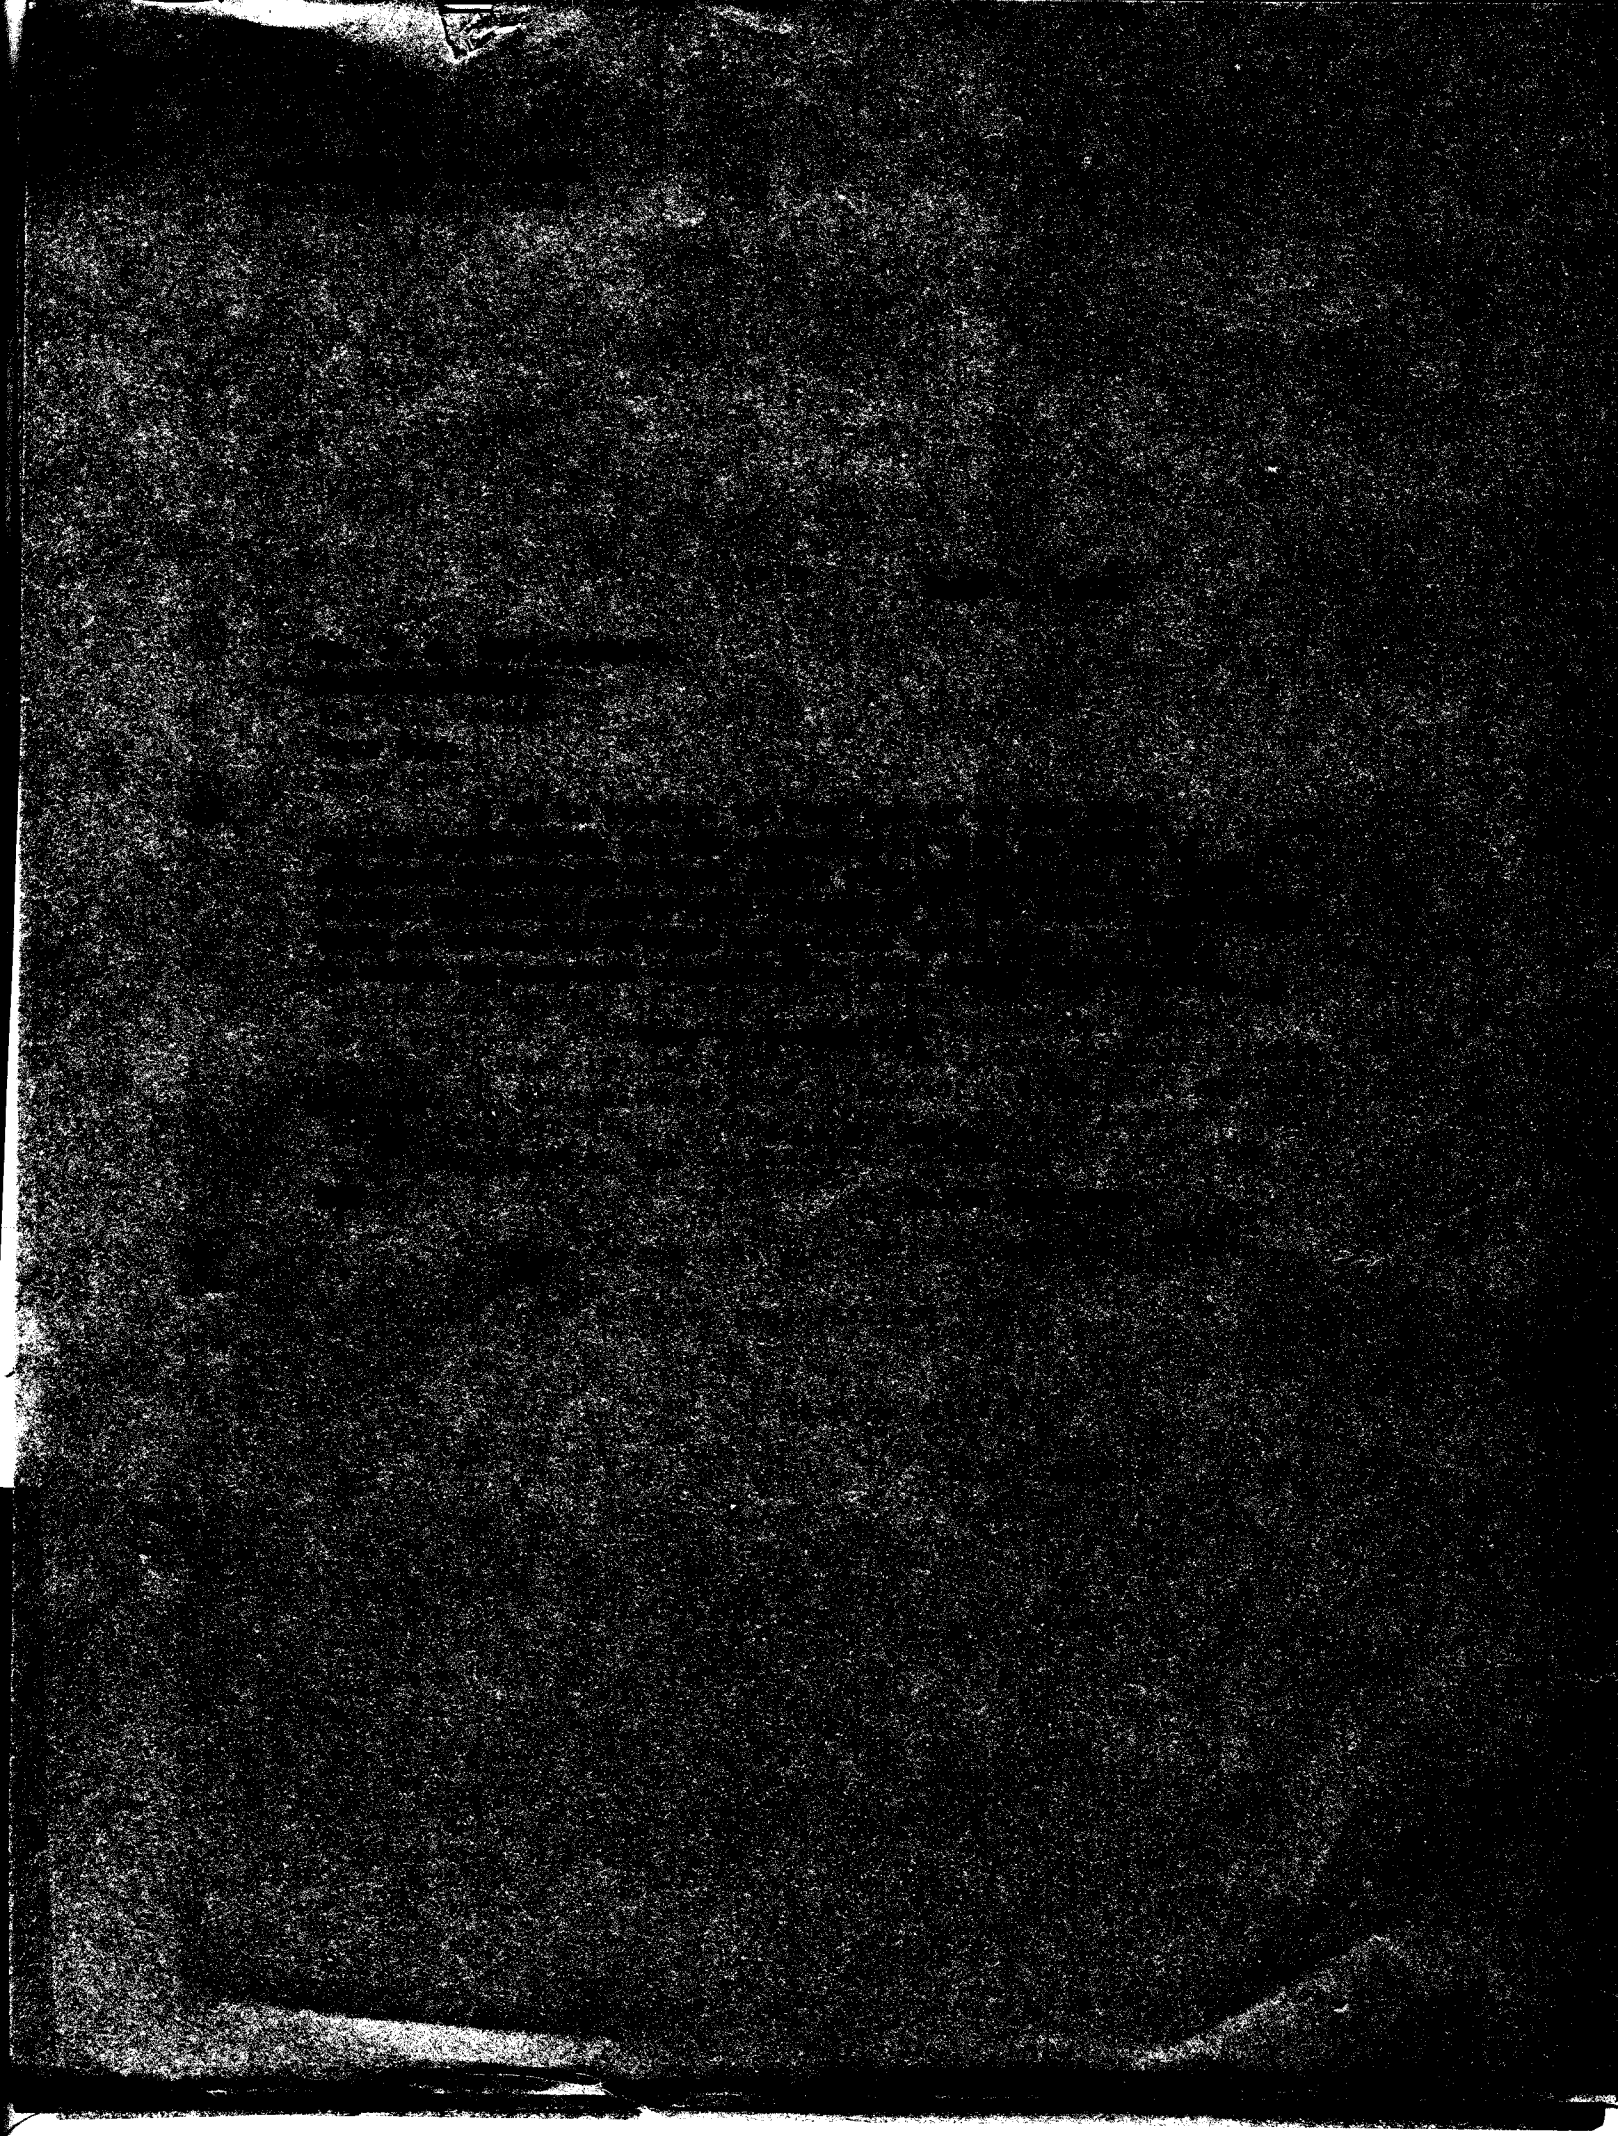

Dear Sir:

The State Water Board at its meeting on August 2nd.,
granted an extension of time until June 1, 1919 within which
to complete construction work under permit No. 2871.

Yours very truly,

R. W. Potter,
Secretary.

GB.

Mr. John H. Lewis,

Salem, Oreg.

Dear Sir,

I have had my claim all completed since Sept. 7, 1917 but have not been able to make things work the way I expected so I will have to make some changes. That was what I meant. I have had some experience and I guess I will have to have some more. I am going to keep trying and changing till I make it work. The

NOTICE OF COMPLETE APPLICATION OF WATER TO A BENEFICIAL USE

I, J M Christopher, the holder of Application No. 4825, being

Permit No. 2871, issued by the State Engineer of the State of Oregon

(Reservoir or enlargement)

for the appropriation of 0.15 second-feet of the waters of Marion Co. in accordance with the tenor of such permit and the limitations indorsed thereon by the State Engineer,

completely applied the water to a beneficial use, on the 31st day of May, 1919, being the time limitation as fixed in said permit or extended by the State Water Board for the complete application of water to a beneficial use.

Remarks: all land irrigated that can irrigated. If all the water granted in the permit had not been fully applied to beneficial use, you should so state, so that delinquent appropriators may have

notice.

IN WITNESS WHEREOF, I have hereunto set my hand this 31st day of May, 1919.

(Present address)

Fill out, detach, and mail to the Secretary, State Water Board, Salem, Oregon.

(Signature of Applicant)

NOTICE OF COMPLETION OF CONSTRUCTION

I, J M Christopher, the holder of Application No. 4825, being

Permit No. 2871, issued by the State Engineer of the State of Oregon

(Reservoir or Enlargement)

for the appropriation of 0.15 second-feet of the waters of Marion Co. in accordance with the tenor of such permit and the limitations endorsed thereon by the State Engineer,

have completed the construction of the works described therein the 7th day of Sept, 1917, being within the time limitation as fixed in said permit or extended by the State Water Board for the completion of construction work.

Remarks: If the works have a less capacity than as described in the permit, or you have definitely abandoned your plan of irrigating any of the lands described

in your permit, you should so state in order that our records may not be unnecessarily encumbered.

IN WITNESS WHEREOF, I have hereunto set my hand this 8th day of Sept, 1917.

(Present Address)

Fill out, detach, and mail to the Secretary, State Water Board, Salem, Oregon. Form D should be used in reporting progress of work if more than one year has been allowed for completion.

(Signature of Applicant)

NOTICE OF BEGINNING OF CONSTRUCTION

I, J M Christopher, the holder of Application No. 4825, being

Permit No. 2871, issued by the State Engineer of the State of Oregon

for the appropriation of 0.15 second feet of the waters of Marion Co. in accordance with the tenor of such permit and the limitations endorsed thereon by the State Engineer,

began the actual construction of the works described therein on the 30th day of Oct, 1916, being within the time limitation as fixed in said permit for the beginning of construction work.

The appropriator should state the manner of beginning construction work, number of men and teams employed, the amount of work completed clearing place for dam, & hauling out timber for dam.

up to the date of this statement, and any additional information which may tend to show the beginning of work in good faith.

IN WITNESS WHEREOF, I have hereunto set my hand this 9th day of May, 1916.

(Present Address)

Fill out, detach, and mail to the Secretary, State Water Board, Salem, Oregon.

(Signature of Applicant)
