Re: file G-16175 Permit G-15785

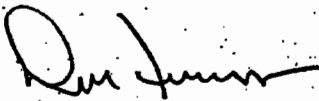

Dear Sir,

This is a written request for a waiver of the minimum requirements for maps for permit of transfer order claim of beneficial use. I am requesting the Oregon Water Resources Department accept a copy of the Settlement Map for Klamath Claim 144 in the Klamath River Adjudication as the claim map for the above referenced permit. The copy of the Settlement Map was obtained from the Oregon Water Resources Department.

Any features not shown on the Settlement Map will be shown on a map meeting the minimum mapping requirements as outlined in OAR 690-014-0170.

Please call if you have any questions.

Sincerely,

Don Krauer
