2. *The right to use of the water is restricted to beneficial use at the place of use described, and is subject to all other conditions and limitations contained in Certificate 79922 and any related decree.*

4. *Water shall be acquired from the same aquifer (water source) as the original point of appropriation.*
5. *The approved changes shall be completed and full beneficial use of the water shall be made on or before **October 1, 2008**.
