INTEROFFICE MEMO

TO: TRANSFER SECTION

DATE: 7-3-06

FROM:

WATERMASTER, DISTRICT # _____

[REDACTED]

(SIGNATURE) K. Lite

date signed 1-17-2007

SUBJECT: PERMIT AMENDMENT # 10182

A change in: POU POD POA of water.

In the name(s) of River Meadows Improvement Dist.

In my opinion (assuming the right is valid), the proposed change

MAY BE MADE WITHOUT INJURY

WOULD RESULT IN INJURY* to an existing water

right.

*The approval of this transfer application would result in injury to other water rights because _____

The existing right may not be valid because _____

Headgate notices HAVE HAVE NOT Been issued for diversion from the source(s) which serve(s) this right.

If for change in point of diversion, is there any intervening point(s) for diversion between the authorized and proposed points of diversion? (Yes or No) _____

In my opinion, the order approving the subject transfer application should include the following in regard to the appropriator installing suitable measuring devices in the diversion works:

(1) PRIOR to the diverting of water at the new point of diversion . . .
