Dear Mr. and Mrs. Pietrok:

In our letter to you dated May 3, 1988, it was pointed out that the water charge due under Willamette Basin Water Service Contract No. 7-07-10-W0038 for the 1988 irrigation season has not been paid. Since payment was not made to this office on or before the 30th day following the date of the aforementioned letter, the agreement to provide water service has been canceled. It should be noted that cancellation of your contract does not relieve you of your responsibility to pay for water charges for the 1988 irrigation season.

If you should have any questions concerning termination of the Water Service Contract, please feel free to contact this office.

Sincerely yours,

JOHN W. KEYS III
