Subject: Termination of Water Service Contract No. 2-07-10-W0875, Willamette Basin Project, Oregon

Dear Messrs. Hill and Cervelli:

This is sent in response to the letter dated January 26, 2004, sent by Mr. Cervelli in reply to our letter of January 14, 2004. Thank you for your prompt reply. As a result of your written statements and Mr. Hill's conversations with Mr. Michael Cobell of my staff, it is our understanding that you no longer require the use of the stored water provided under Contract No. 2-07-10-W0875 for irrigation. Pursuant to your request, we are hereby canceling Contract No. 2-07-10-W0875, dated April 30, 1992, with you. Please disregard the 2004 water service bill for collection you may have received for this account prior to this notification, as there will be no further assessments made by the United States under this contract.

The enclosed ACH enrollment form may be completed by Mr. Hill and returned to this office in order to receive a refund of the \$100 payment submitted with his December 31, 2003, letter.

Thank you for your attention in this matter. Should there be any questions about this action, please contact Mr. Cobell at the above address or by telephone at 208-378-5223.

Sincerely,

Ryan M. Patterson
