4311 SW Research Way  
Corvallis, Oregon 97333

Reference: ApplicationG-14403, Permit G-13291

The assignment by proof from Gary and Ronda Sneva to Derrick Luksch has been recorded in the records of the Water Resources Department.

Our records have been changed accordingly and the original request is enclosed. Receipt number 104249 covering the recording fee is also enclosed.

Please review the permit to be familiar with the conditions and timelines contained in the permit. These conditions and timelines will have to be met before a Certificate of Water Right can be issued. I would be remiss if I did not bring to your attention that the Claim of Beneficial Use and map prepared by a Certified Water Rights Examiner is overdue. This is required before a Final Certificate of Water Right can be issued.

Sincerely,

Jerry Sauter  
Water Rights Program Analyst  
Water Right Services Division
