By my signature below I confirm that I understand:

- I am asking to use water specifically as described in this application.
- Evaluation of this application will be based on information provided in the application.
- I cannot use water legally until the Water Resources Department issues a permit.
- Oregon law requires that a permit be issued before beginning construction of any proposed well, unless the use is exempt. Acceptance of this application does not guarantee a permit will be issued.
- If I get a permit, I must not waste water.
- If development of the water use is not according to the terms of the permit, the permit can be cancelled.
- The water use must be compatible with local comprehensive land-use plans.
- Even if the Department issues a permit, I may have to stop using water to allow senior water-right holders to get water to which they are entitled.

I (we) affirm that the information contained in this application is true and accurate.

Mike,

I need copies of ownership deeds for Map 15S43: Tax Lots 2600(?), 3500:(2000-3984?), 3600 (?), 3700, 3800:(2000-0593?), 3900:(2000-0594?) and 4500:(200-0594?).

I believe there is a contract on 3600: (2004-1291?) which I will need also.

I'm showing the information that the county records show but I'm not sure if they are the correct deeds or not.

Thanks

Dan
