A change in: **POU** **POD** A POA **USE** of water.

In the name(s) of Kenneth L. Falk

*The approval of this transfer application would result in injury to other water rights because _____

INTEROFFICE MEMO**

Subject: Application Review: T-10133, Kenneth L. Falk

This application proposes an additional POA as a result of the original well reportedly almost going dry. The authorized well (WASC 3407) and the proposed additional well (WASC 51361) will produce water from an aquifer developed in basalt.

I find that the proposed change may be made without injury provided the following: the rights are valid and the Watermaster can approve the proposal.
