Reference: Application S-74168, Permit S-53729

The assignment from Paul Norris and Sandy Norris to Northwest Farm Credit Services, FLCA, Sandra L. Norris, and Paul G. Norris has been recorded in the records of the Water Resources Department.

Our records have been changed accordingly and the original request is enclosed. Receipt number 104850 covering the recording fee is also enclosed.

Please review the permit to be familiar with the conditions and timelines contained in the permit. These conditions and timelines will have to be met before a Certificate of Water Right can be issued.

I would be remiss if I did not bring to your attention that a Claim of Beneficial Use and map prepared by a Certified Water Rights Examiner was due by October 1, 2006. To date, there is no record of this being submitted. This places this permit at risk for cancellation proceedings to be initiated.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
Water Right Services Division
