Ratto Farms LLC
Attn: Chris Ratto
4050 SE Hosner Terrace
Gresham, Oregon 97080

Reference: Application G-15644, Permit G-15454

The assignment from D Wells Property LLC; Daniel and Diana Wells to Ratto Farms LLC by Chris Ratto has been recorded in the records of the Water Resources Department.

The Departments records will now show Ratto Farms LLC by Chris Ratto as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 105046 covering the recording fee was provided to your agent.

Please review the permit to be familiar with the conditions and timelines contained in the permit. These conditions and timelines will have to be met before a Certificate of Water Right can be issued. I would be remiss if I did not bring to your attention that a Claim of Beneficial Use and map prepared by a Certified Water Rights Examiner was due by October 1, 2008. There is no record of this claim being submitted. This does place this permit at risk for cancellation proceedings to be initiated.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
