RE: Applications for permits to store water in Campbell Reservoir #1, Campbell Reservoir #2, Campbell #3, and South Fork Reservoir (R-87799 through R-87802)

Dear Aric:

As I indicated in my e-mail message of April 24, 2012, the four applications that you recently filed were each short of fees in the amount of \$25.00 per application.

The fee for each application is based on a base fee of \$300.00 and then an additional \$25.00 for each acre-foot or fraction thereof. Since each of the applications were requesting less than one acre foot, the total fee for each application is actually \$325.00 rather than the \$300.00 you submitted.

I apologize for not catching this when the applications were first submitted; we recently lost our customer service employee due to budget cuts and I am out of practice with new applications their associated fees.

Please submit additional fees in the amount of \$100.00 to cover the base fees for these applications.

Should you have any questions, please do not hesitate to contact me at 503-986-0811.

Sincerely,

Gerry Clark
Water Rights Program Analyst
