

**Oregon Water Resources Department
Water Rights Services Division**

Water Rights Application
Number G-17452

Summary Order

Findings of Fact

On March 10, 2011, Rattlesnake Creek Land & Cattle Company submitted an application to the Department for a water use permit.

On November 29, 2012, the Department issued a Final Order approving Application G-17452 and Permit G-16983.

Subsequently, the Department determined that Well 21 (HARN 51765) does not meet current minimum well construction standards. Therefore, on the Department's own motion, the November 29, 2012 Final Order for Application G-17452 and Permit G-16983 are rescinded. At a later date, the Department will issue a Final Order for Application G-17452.

Now, therefore, it is ORDERED:

The Final Order dated November 29, 2012, approving Application G-17452 and associated Permit G-16983 are rescinded and of no further force or effect.

DATED January 24, 2013

E. Timothy Wallin
for Phillip C. Ward, Director
Water Resources Department
