

March 25, 1934.

Mr. Jas. A. Lathrop,
Tax and Right of Way Agent,
Southern Pacific Company,
Portland, Oregon.

Dear Mr. Lathrop.

In reply to your letter of March 24th relative to the water right certificate under permit number 5113 in the name of the Southern Pacific Company, you are advised that certificate is now being issued under the above permit, and will be forwarded to the county clerk for recording about April 1st.

After the certificate has been placed on record, it will be forwarded to you.

Trusting you will find this satisfactory, I am

Yours respectfully,

Edna Luper,
State Engineer.

Mr. Rhea Luper,
State Engineer,
Salem, Oregon.

Dear Sir:

Your letter of February 7, in connection with Permit No. 6113, re: Southern Pacific Company for water supply at Hols, indicates that certificate would probably be issued in the near future. I have no record of certificate having as yet been received. Will you kindly advise, and oblige

Yours very truly,

Mr. Rhee Luper,
State Engineer,
Salem, Oregon.

Dear Sir:

Returning permit No. 6113, received with your form January 3, covering water supply of our Company at Kols Station:

I am now attaching forms as follows: Beginning of Construction in August, 1909, "Tank and pipe line to within 20' of filing point in by August 1909. Extension to point of filing made by open ditch. Water from point of filing to intake box now runs through this ditch. Water now put to a beneficial use." Notice of Completion of Construction, July 15, 1923; "Tank & Pipe line to within 20 ft. of filing point in by August 1909, taking water from Holman Spring, water from point of filing by open ditch to present intake made July 1923." Notice of Complete Application of Water to a Beneficial Use, July 15, 1923. "Water run in open ditch from point of filing for 20 ft. to intake box. Ditch dug July 1923 and water from this spring used beneficially since that date."

Yours very truly

SALEM,

NOTICE OF BEGINNING OF CONSTRUCTION

I, Southern Pacific Company, the holder of Application No. 9293, being Tank & Pipe Line Permit No. 6113, issued by the State Engineer of the State of Oregon for the appropriation of .05 second-feet of the waters of Unnamed spring arising in Riggs St. in accordance with the tenor of such permit and the limitations endorsed thereon by the State Engineer, began the actual construction of the works described therein on the 1st day of August, 1909, being within the time limitation as fixed in said permit for the beginning of construction work.

Tank and pipe line to within 20' of filing point in by August 1909. Extension to point of filing made by open ditch. Water from point of filing to intake box now runs through this ditch. Water now put to a beneficial use.

IN WITNESS WHEREOF, I have hereunto set my hand this 15th day of Jan, 1924

719/son Bely [Signature] (Printed Address) [Signature] (Signature of Applicant)

Fill out, detach, and mail to the Secretary, State Water Board, Salem, Oregon.

NOTICE OF COMPLETE APPLICATION OF WATER TO A BENEFICIAL USE

I, Southern Pacific Company, the holder of Application No. 9293, being Tank and Pipe line Permit No. 6113, issued by the State Engineer of the State of Oregon for the appropriation of .05 second-feet of the waters of unnamed spring arising in Riggs St. in accordance with the tenor of such permit and the limitations endorsed thereon by the State Engineer, completely applied the water to a beneficial use, on the 15th day of July, 1923, being the time limitation as fixed in said permit or extended by the State Water Board for the complete application of water to a beneficial use.

Remarks: Water run in open ditch from point of filing for 20 ft. to intake box. If all of the water granted in the permit had not been fully applied to beneficial use, you should so state, so that delinquent appropriators may have notice.

Ditch dug July 1923 and water from this spring used beneficially since that date.

IN WITNESS WHEREOF, I have hereunto set my hand this 15th day of Jan, 1924

[Signature] (Printed Address) [Signature] (Signature of Applicant)

Fill out, detach, and mail to the Secretary, State Water Board, Salem, Oregon.

NOTICE OF COMPLETION OF CONSTRUCTION

I, Southern Pacific Company, the holder of Application No. 9293, being Tank & Pipe Line Permit No. 6113, issued by the State Engineer of the State of Oregon for the appropriation of .05 second-feet of the waters of unnamed spring arising in Riggs St. in accordance with the tenor of such permit and the limitations endorsed thereon by the State Engineer, have completed the construction of the works described therein the 15th day of July, 1923, being within the time limitation as fixed in said permit or extended by the State Water Board for the completion of construction work.

Remarks: Tank & Pipe line to within 20 ft. of filing point in by August 1909, taking water from Holman Spring, water from point of filing by open ditch to present intake made in your permit, you should so state in order that any records may not be unnecessarily increased. July 1923.

IN WITNESS WHEREOF, I have hereunto set my hand this 13th day of Jan, 1924

[Signature] (Printed Address) [Signature] (Signature of Applicant)

Fill out, detach, and mail to the Secretary, State Water Board, Salem, Oregon. Form B should be used in reporting progress of work if more than one year has been allowed for completion.
