AGREEMENT TO SUPPLY WATER

This agreement to supply water is between the Far West Development Corporation (Far West) and the Hiland Water Corporation (Hiland) and is intended to clarify the attached Request for Assignment signed by Far West and submitted by Hiland to the Oregon Water Resources Department (WRD).

Notwithstanding the Assignment, Hiland agrees to supply water to Far West for any and all lawful quasi-municipal and irrigation uses on the Place of Use (POU) described in the map that accompanied the approved Application for Permit G-16027.

This is an agreement to supply water only. This agreement does not cover the cost of construction and maintenance of water facilities necessary to supply water, nor does it cover water rates that may be charged by Hiland to supply water to customers. Hiland will be entitled to reasonable compensation for the construction and maintenance of water facilities in the future and may charge reasonable rates for the supply of water to customers.
