The assignment from Ron Heyerly and Sons to Heyerly Bros. has been recorded in the records of the Water Resources Department.

The Departments records will now show Heyerly Bros. as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 110206 covering the recording fee was given to your agent.

Please review the permit to be familiar with the conditions and timelines contained in the permit. These conditions and timelines will have to be met before a Certificate of Water Right can be issued.
