Reference: Application G-12841, Permit G-13532

The assignment by proof from Wilbur, Carolyn and Alan Harnsberger to Shirley Grisham has been recorded in the records of the Water Resources Department.

The Departments records will now show Shirley Gresham as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 110588 covering the recording fee is also enclosed.

Please review the permit to be familiar with the conditions and timelines contained in the permit. These conditions and timelines will have to be met before a Certificate of Water Right can be issued. This permit has a requirement that a Claim of Beneficial Use which includes a map and report, prepared by a Certified Water rights Examiner be submitted within one year of 2003. As of this date, this condition has not been met.

Sincerely,

Jerry Sauter
