The assignment by proof from Robert C. and Cecillia F. Head to George Head has been recorded in the records of the Water Resources Department.

The Departments records will now show George Head as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 110620 covering the recording fee is also enclosed.

Please review the permit to be familiar with the conditions and timelines contained in the permit. These conditions and timelines will have to be met before a Certificate of Water Right can be issued.
