accordance with OAR 690-315-0050(2), on September 10, 2013, the Department issued a Proposed Final Order proposing to extend the time to complete construction of the water system and the time to apply water to full beneficial use to October 1, 2017. **Findings of Fact**

The Department adopts and incorporates by reference the findings in the Proposed Final Order dated September 10, 2013, with the following exception:
