Application History

Permit S-53252 was issued by the Department on September 5, 1997. The permit called for complete application of water to beneficial use by October 1, 2001. On November 5, 2012, Ron Gillen submitted to the Department an Application for Extension of Time for Permit S-53252. In accordance with OAR 690-315-0050(2), on September 24, 2013, the Department issued a Proposed Final Order proposing to extend the time to apply water to full beneficial use to

October 1, 2018. The protest period closed November 8, 2013, in accordance with OAR 690-315-0060(1). No protest was filed.

Findings of Fact

Except as expressly stated herein, the Department adopts and incorporates by reference the findings in the Proposed Final Order dated September 24, 2013.

Exceptions to the Proposed Final Order:

Due to a scrivener's error in numerous locations, the Proposed Final Order incorrectly referred to Permit S-53253, which is not associated with Application S-80203. The Department intended to cite S-53252, the permit associated with Application S-80203.

At time of issuance of the Proposed Final Order the Department concluded that, based on the factors demonstrated by the applicant, the permit may be subject to no additional conditions.

CONCLUSION OF LAW

The applicant has demonstrated good cause for the permit extension pursuant to ORS 537.230, 539.010(5) and OAR 690-315-0040(2).

ORDER

The extension of time for Application S-80203, Permit S-53252, therefore, is approved. The deadline for applying water to full beneficial use within the terms and conditions of the permit is extended from October 1, 2001 to October 1, 2018.
