Regarding Transfer T-6533, the assignment from James W. Gardner to Breyman Farms has been recorded in the records of the Water Resources Department.

The Departments records will now show Breyman Farms as the transfer holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 111465 covering the recording fee is also enclosed.

Please review the permit to be familiar with the conditions and timelines contained in the permit. These conditions and timelines will have to be met before a Certificate of Water Right can be issued.

Regarding Application S-71493, Permit S-57678, Certificate 87366, no assignment can be made as this right has been perfected as evidenced by the issuance of a Certificate. Oregon Water Law views a certificated water right as a land right that goes with the property. A refund check for these fees is included
