S-87220, Benton County)

**SUPERSEDING FINAL ORDER
APPROVING THE USE OF
STORED WATER**

Authority

ORS 537.147 establishes the process by which an application to use stored water exclusively may be submitted. OAR Chapter 690, Divisions 310 and 340 implement the statute, and provide the Department's procedures and criteria for evaluating applications to use stored water exclusively.

Findings of Fact

1. On July 9, 2008, Greenberry Irrigation District submitted an application for a water-use permit pursuant to ORS 537.147.
2. The Department provided public notice of the application in the Department's weekly public notice on September 9, 2008. A 30-day comment period followed.
3. The Department has evaluated the application and any comments received, and finds that no public interest in ORS 537.170(8) would be affected adversely by the proposed use.
4. On April 3, 2009, the Department issued a Final Order approving the application contingent upon the submission of a voluntary cancellation request of Permits S-53779 and S-83780.
5. On January 21, 2010, the Department issued Orders canceling Permits S-53779 and S-83780.
6. In January 2010, the Department received additional information clarifying the points of diversion and place of use.
7. This document supersedes the April 3, 2009 Final Order for Application S-87220, which is of no further force or effect.

Conclusions of Law

Application S-87220 is consistent with the requirements of ORS 537.147, and OAR Chapter 690.

Now Therefore, it is Ordered:

This document supersedes the April 3, 2009 Final Order for Application S-87220, which is of no further force or effect.
