Dear Applicant:

On March 7, 2014, the Water Resources Department received your request for a 180-day administrative hold on processing the above-referenced application.

On March 10, 2014 the Department received your explanation that the hold was requested to allow the applicant additional time to allow the parallel land use process to move forward.

The Department will not take any action on this application until Wednesday September 3, 2014, unless you inform us that you would like us to process the application sooner. If you need to request additional time, you will need to show justification for why additional time is reasonable and necessary, that substantial progress is being made towards being ready to proceed with application processing, and a general time line, which identifies when you anticipate being ready to continue with the application process.

Feel free to contact me at mary.f.rohling@wrд.state.or.us or 503-986-0859 with questions.

Sincerely,

Mary Rohling
