The assignment from the Mildred Garrett 1992 Living Trust to Richard E. Morgan has been recorded in the records of the Water Resources Department.

The Departments records will now show Richard E. Morgan as the permit holder of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt numbers 112789 and 112790 covering the recording fees are also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
Water Right Services Division
