The assignment from Roy V. Martin to Martin Properties, LLC has been recorded in the records of the Water Resources Department.

The Departments records will now show Martin Farms Properties, LLC as the registration holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 113122 covering the recording fee is also enclosed.

Enclosed is a refund check for excess fees collected for multiple assignments. Upon detailed review, it was noted that the additional files had already been certificated, and therefore go with the land. No assignment is needed for these files.
