Reference: Application G-17548, Permit G-17000

The assignment from Duane Schofield and the Schofield Family Limited Partnership to Justin and Jayna Ferrell, and Dustin and Tara Counts has been recorded in the records of the Water Resources Department.

The Departments records will now show Justin and Jayna Ferrell, and Dustin and Tara Counts as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 113433 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit requires complete application of water to the proposed use by January 31, 2018, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).

Sincerely,

Jerry Sauter
Water Rights Program Analyst
Water Right Services Division
