Application S-57592, Permit S-43397, Certificate 65893

Regarding Application G-14077, Permit G-13500, the assignment from Grant School District #3 to Oregon Telephone Corporation has been recorded in the records of the Water Resources Department.

The Department's records will now show Oregon Telephone Corporation as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 113512 covering the recording fee is also enclosed.

Regarding Application S-57592, Permit S-43397, Certificate 65893 an assignment cannot be performed as this right has been perfected as evidenced by the issuance of a Certificate of Water Right. Oregon Water Law views a certified water right as a land right that goes with the land. A refund check for the fees submitted for this water right is enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Sincerely,
