Subject: Surface water application for a permit received 11-7-14 --- in the name of Henry Russell & Debbie Hackler

Hi Debbie,

As I mentioned in our recent telephone conversation, the application materials we received today did not include the legal description of all lands where water will be diverted, crossed, and used. The legal description includes the metes and bounds or other government survey description. A copy of the deed, lands sales contract or title insurance policy may contain this information.

You may either send the legal description as an attachment to an email or you may fax a hard copy to 503-986-0901.

I understand that you will be out of town early next week, but will address this issue on Wednesday, November 12, 2014. Please call if you have any questions.

Thank you,
Kerry
