The assignment from Garrett Roseberry; Pine Mountain Cattle Co. to Wilks Ranch Oregon, Ltd. has been recorded in the records of the Water Resources Department.

The Departments records will now show Wilks Ranch Oregon Ltd. as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 114063 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Please note that these permits require complete application of water to the proposed use by a specific time, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). Failure to submit these claims or an application for extension of time by those deadlines can result in cancellation proceedings being initiated.

Sincerely,
