Application P-81440

The assignment by proof from Robert and Joyce Coats to James Milgard has been recorded in the records of the Water Resources Department.

The Departments records will now show James Milgard as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 114857 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Sincerely,

Jerry Sauter
