Salem OR 97301

Mr. Sauter,

Due to an inadvertent error at loan origination water rights were taken as security under Permit # G-16672 which included additional property that was not used as collateral. An Assignment of Permit # G-15312 was also taken. Permit # G-15312 should not have been taken as collateral.

Please release G-15312 to original permit holder.

Sorry for this inconvenience. Please call me if you have any questions.

Thank you
